### **Welcome**

The British Sprint Relay Championships are open to members of the British Orienteering Federation and to members of overseas IOF affiliated Federations.

### **Event Centre**

Alan Walters Building, University of Birmingham B15 2SB

Below is a map excerpt for illustrative purposes only.

The University of Birmingham was last used for a UKUL and WMUL Event in 2018.

We are grateful to University of Birmingham for the use of the campus and the excellent facilities. Thanks to Leanne Drury, Event Co-ordinator for University of Birmingham and Bob Scott from Harlequins Orienteering Club who enabled the event to go ahead on the same day as the University Open Day.

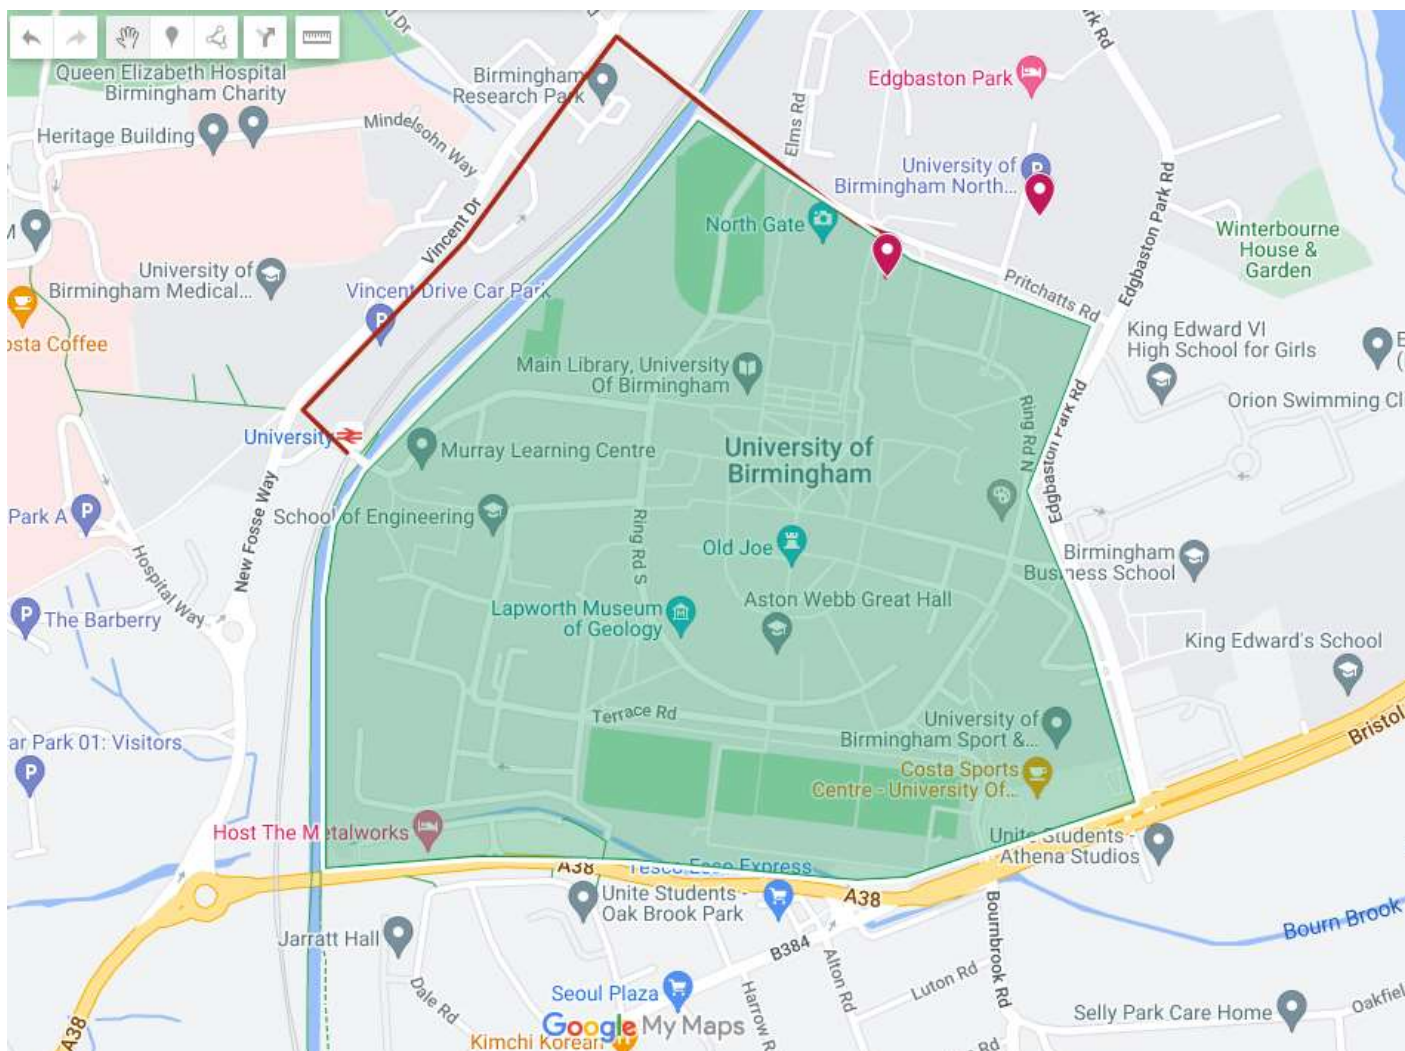

### **Travel**

The University of Birmingham is easily accessible by car, train, and bus. The University Railway station is 0.5 miles from the Event Centre. Free car parking is available in the University of Birmingham North East Car Park, Pritchatts Road, Birmingham B15 2SA (see map next page). Height restriction is 2.1m. Please park vans and minibuses in designated areas nearby.

The university campus to the south of Pritchatts Road (shaded green) is out of bounds to all competitors prior to their runs, save for the access to the Event Centre and spectator area, which are at the Alan Walters Building.

All competitors must approach the Event Centre via a signed route leading from the pedestrian crossing on Pritchatts Road Birmingham B15 2SA. This crossing must be used by all entrants using the event car park.

If you are travelling by train, alight at the University Station. You must **NOT** enter the university campus by crossing the bridge over the canal to the east of the station (via Westgate). Please turn right when coming out of the station exit and walk along Vincent Drive. Turn right onto Pritchatts Road and walk down to the signed path leading to the Alan Walters Building.

## ***Terrain and Map***

## ***Trophy, Medals, Rules and Eligibility***

The British Sprint Relay Championships are open to members of the British Orienteering Federation and to members of overseas IOF affiliated Federations.

To be eligible to be British Sprint Relay Champions (all classes except for Ad Hoc; see Neighbouring Clubs Alliance below), all members of a team must meet the club representation eligibility requirements in the British Orienteering Rules of Orienteering and the individual eligibility requirements.

The competition rules can be found at <https://www.britishorienteering.org.uk/rules>; British Sprint Relay Championship rules in section T.

To be eligible to be a British Champion (or a member of an eligible team), an individual competitor must on the day immediately preceding the day of competition in question be a member of British Orienteering and either be a British citizen or have been a member of British Orienteering in each of the three membership years preceding the year of the competition. For Juniors who are not British citizens, the membership criteria are as in British Sprint Championships rules.

To be eligible for British Sprint Relay Championship medals, all the members of a relay team must be eligible under the criteria specified above and the team must be representing a club which, on the day immediately before the day of competition in question, is affiliated to British Orienteering,

In the elite and junior (rule waiver applied for) classes the UK Relay League Neighbouring Clubs Alliance may apply - Geographically adjacent clubs are permitted to form combined teams ("Alliances"). Two clubs that wish to form such an alliance must satisfy the following criteria: The two combining clubs must be geographically adjacent. Neither club has fielded a team that finished in the top ten of the overall UK Relay league standings in the previous year in either

the Men's or Women's competitions. Alliance teams must be treated as competitive and will be eligible to win medals. Any clubs who wish to take advantage of this proposal must notify Events and Competitions Committee and be approved no later than 4 weeks before the event. Email the Organiser using [bsrc2024@gmail.com](mailto:bsrc2024@gmail.com) if assistance is needed.

The British Sprint Relay Championship Trophy will be presented to the eligible winners of the Elite class relay. British Championship medals will be awarded to the members of the eligible first, second and third placed teams in all classes (apart from the Ad Hoc Class).
